SELECTION AND AWARD CRITERIA

16. Selection criteria

Capacity-providing entities

An economic operator (i.e., candidate or tenderer) may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links it has with them. If the

economic operator relies on other entities, it must in that case prove to the contracting authority that it will have at its disposal the resources necessary for the performance of the contract by producing a commitment by those entities to place those resources at its disposal. Such entities, for instance the parent company of the economic operator, must respect the same rules of eligibility as the economic operator relying on them and must comply with the selection criteria for which the economic operator relies on them. **Furthermore, the data for this third entity for the relevant selection criterion should be included in a separate document.** Proof of the capacity will also have to be provided when requested by the contracting authority.

With regard to technical and professional criteria, an economic operator may only rely on the capacities of other entities where the latter will perform the tasks for which these capacities are required.

With regard to economic and financial criteria, the entities upon whose capacity the economic operator relies, become jointly and severally liable for the performance of the contract.

The following selection criteria will be applied to the tenderers. In the case of tenders submitted by a consortium, these selection criteria will be applied to the consortium as a whole if not specified otherwise. The selection criteria will not be applied to natural persons and single-member companies when they are sub-contractors.

- 1) **Economic and financial capacity of the tenderer** (based on item 3 of the tender form). In case of tenderer being a public body, equivalent information should be provided. The reference period which will be taken into account will be the last three financial years for which accounts have been closed.

The selection criteria for each tenderer are as follows:

Criteria for legal and natural persons:

- 1 – the lowest price
- 2 – the best offer in terms of financial, administrative and technical aspects
- 3 - the financial situation of the tenderer should not be in deficit, taken into account debts, at the beginning and end of year.

- 2) **Professional capacity of the tenderer** (based on items 4 of the tender form).

The reference period which will be taken into account will be the last three years preceding the submission deadline.

- 3) **Technical capacity of tenderer** (based on items 5 and 6 of the tender form). The reference period which will be taken into account will be the last [three years] preceding the submission deadline.

17. Award criteria

The lowest price.

TENDERING

18. Deadline for submission of tenders

The deadline for submission of tenders is **March 02, 2026**, 15:00 p.m., Republic of Moldova time.

19. Tender format and details to be provided

Tenders must be submitted using the standard tender form.

The tender must be accompanied by a declaration on honour on exclusion and selection criteria (form G3)

Any additional documentation (brochure, letter, etc.) sent with a tender will not be taken into consideration.

20. How tenders may be submitted

Tenders must be submitted in English or national language exclusively to the contracting authority, using the means specified in point 9 of the instructions to tenderers.

Tenders submitted by any other means will not be considered.

By submitting a tender tenderers accept to receive notification of the outcome of the procedure by electronic means.

21. Alteration or withdrawal of tenders

Tenderers may alter or withdraw their tenders by written notification prior to the deadline for submission of tenders. No tender may be altered after this deadline.

Any such notification of alteration or withdrawal shall be prepared and submitted in accordance with point 13 of the instructions to tenderers.

22. Operational language
