

ANDRIY BABIY

FULL-STACK DEVELOPER

PROFILE

I'm an Expert React developer and node.js developer based in Lviv with more than 4 years of experience building high-quality web applications. Experienced with all stages of the development cycle for dynamic web projects.

Logical and results-driven Web Developer dedicated to building and optimizing user-focused websites for customers with various business objectives. Judicious and creative when crafting effective websites, apps, and platforms to propel competitive advantage and revenue growth. Technically proficient and analytical problem solver with a calm and focused demeanor.
