

September 8, 2025

To: General Police Inspectorate, MD-2001, Republic of Moldova, Chişinău municipality, 11/1 Tiraspol Street

RE: Tender no - ocds-b3wdp1-MD-1756985264569, Spare parts and accessories for body cameras.

MANUFACTURER'S AUTHORIZATION FORM

Motorola Solutions is a leading provider of mission-critical communication solutions and services for Government and Enterprise customers. Our global factories are operated under the ISO 9001:2015 quality regime which ensures the high performance and reliability of our products.

Access by PartnerEmpower members to Motorola Solutions products and services is granted by **Technology Sub-Segment**. Products and their corresponding PartnerEmpower Technology Sub-Segments can be seen in APPENDIX 1.

Motorola Solutions Germany GmbH hereby confirms that **I.C.S. RELIABLE SOLUTIONS DISTRIBUTOR S.R.L.** registered at **Alexandru cel Bun 85, Chisinau, 2012 Republic of Moldova** is authorized within the Motorola Solutions PartnerEmpower channel program to sell, install and service the **Video monitoring equipment, portable video monitoring system in set with software for data processing and management** equipment set out below for the purpose of the Tender:

PRODUCT
FRU-P-0761 - BATTERY 3300mAh TWS VB3300
DC-200/EU - DockController (EU)
RF-220 - RFID RF-220 reader & base (MIFARE, MULTI-ISO, and LF), for use with Body-Worn cameras

This authorization is issued for the purpose of the referenced tender only.

Further details of our PartnerEmpower Program and the value of our Channel Partners can be found on the Motorola Solutions [website](#). Motorola Solutions Company is the bearer of warranty obligations on the equipment to the trade representative only in the case when the Avigilon Corporation equipment is dispatched by the trade representative in the Republic of Moldova. Under such conditions, Motorola Solutions provides the necessary technical and information support on installation and also during the maintenance period.

Nardo Swart
Channel Sales Director
