

Composition

ARMOR AWR 8 Thermal Transfer Ribbon

PET	60-70%
Wax	20-30%
Polymer	1-5%
Carbon black	1-5%

The information given above is based on our best knowledge and experience (based on the knowledge of the production process, supplier information for raw materials and analytical data where applicable). Considering possible changes in laws and regulations, as well as changes in our products linked to changes of supplier, we cannot guarantee that the concentration and/or the limit will remain unchanged in our Thermal Transfer Rolls.
