

To whom it may concern,

This letter is to acknowledge the efficiency and quality of the software development services provided by Adonius-Lux SRL / Kurama team, in the framework of UNDP Moldova's EDMITE Project.

"Enhancing democracy in Moldova through inclusive and transparent elections" (EDMITE) is a Project that sets the overall goal to achieve an enhanced transparency and inclusiveness of the electoral process in Moldova through a modernized IT system, improved legislation and intensified public participation, addressing the root causes of the current challenges hampering the further development of the democracy and the advancement of the electoral process in the Republic of Moldova.

In the context of the 2019 Parliamentary Elections, the Project has contracted Adonius-Lux SRL / Kurama to develop, in line with the Project's principles of transparency and inclusiveness, the new online application for out-of-country voters – ***diaspora.voteaza.md***.

This resource, part of the online ecosystem of the Central Electoral Commission, mapped all polling stations abroad and offered intuitive suggestions and travel routes, based on the users' current geolocation.

Complementary to the ***voteaza.md*** platform, the new application was launched on February 11th, 2019, during a public conference of the CEC management. Since then, the webpage was viewed by more than 42.000 users from 90 countries.

The services have been provided by the following key experts, amongst others:

- ✓ Nicu Pleșca / Director
- ✓ Alexandru Bolgarin / Project Manager

Throughout the collaboration with EDMITE Project, Adonius-Lux SRL/ Kurama team has proven a high level of professionalism, commitment and efficiency, remaining flexible and results-oriented. Consultations provided by the company team and direct interactions with the CEC IT Department and UNDP Strategic IT Experts have been highly praised and resulted in a successful implementation of the assignment and ensure the stable and accurate performance of developed product.

In conclusion, it is our pleasure to recommend Adonius-Lux SRL/ Kurama as a reliable partner for innovative and challenging software development and IT consultancy.

Sincerely,

Dorin Toma
Senior Project Officer / EDMITE Project
