

To whom it may concern

The company Aproservice-X SRL during the cooperation with Medicines Agency has established itself as a reliable and professional partner.

Under the contract No 1/13 from the 22nd of February 2013, which was signed in the designation of Aproservice-X SRL as the winner of the tender no. 13/00021 of 11.2.2013 on Complex document management software, the company Aproservice-X SRL undertakes among other things to accomplish the document transfer from paper, convert scanned images in searchable PDF, form the structure of folders and scanned files accordingly to the fields presented to them in Excel format, insert scanned material under the same structure in the document management system SIVADOC.

In particular, we would like to recommend Mr. Gutu Marin, designated as the digitization specialist during the project. A serious person and of exemplary professionalism, Mr Gutu Marin has the experience to handle this position and other similar projects.

Sincerely,

Alexandru Coman

General manager
