

Sleepnet iQ Nasal CPAP Mask with 3-Point Fit Headgear

Sleepnet iQ AirGel Nasal Mask with 3-Point Fit Headgear (Customizable Shape!). Ultra-soft blue AirGel cushion. Soft on the skin and does not leave line on the face. Made in USA. Custom Fit Technology Tired of forcing your face to fit your mask? Sleepnet's Custom Fit Technology means the shell of your mask can be gently molded to match your needs. Flex, fit, forget. Breathable headgear, 360-degree rotating elbow. 3-Point Headgear has minimum material on the face. One size and fits Most. Sleepnet masks are made in the USA with the latest technology, which provides the most comfortable mask. This mask works with all brands of CPAP machines and hoses. Mask and headgear are included.
