

MANUFACTURER'S AUTHORIZATION LETTER

Date: 29th of July 2026

To:
ICS "Reliable Solutions Distributor" SRL
Str. Alexandru cel Bun 85
MD-2012, Chişinău
Republic of Moldova

Subject: Manufacturer Authorization for participation in public procurement procedure

We, Pelco, a Motorola Solutions company, being an established and reputable manufacturer of video security and surveillance solutions, hereby authorize ICS "Reliable Solutions Distributor" SRL, Republic of Moldova, to participate in the public procurement procedure, to submit an offer, negotiate, sign the contract if awarded, deliver, install, commission, and provide warranty and post-warranty support for the Pelco equipment offered within the following tender:

Procurement procedure: **ocds-b3wdp1-MD-1784281318155**

Project: **Equipment for modernization / extension of the Automated Road Traffic Surveillance System "Traffic Control" (repeated)**

Country: **Republic of Moldova**

This authorization applies to the following proposed Pelco equipment and related accessories included in the offer:

- Pelco OPTEPT1-30X4MP-IR-EP
- Pelco WLMT-1031
- Pelco PLMT-1001
- Pelco PANO-PTZ-KIT
- Pelco POE90U-1BT
- related mounting accessories and components required for installation and operation

We further confirm that the above-mentioned equipment is genuine Pelco equipment supplied through the official channel and supported by the manufacturer.

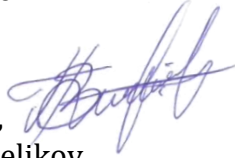

We also confirm that ICS "Reliable Solutions Distributor" SRL is authorized to promote, offer, supply, install, and support the above Pelco solution for the referenced tender in the Republic of Moldova.

The manufacturer warranty applicable to the offered equipment shall be provided in accordance with Pelco's official warranty policy, subject to supply through the authorized

commercial channel and compliance with the applicable terms and conditions. Pelco, through its authorized channel, shall provide the necessary technical and informational support related to deployment, commissioning, and maintenance of the proposed solution.

This authorization is issued specifically for the above-mentioned procurement procedure.

Sincerely,
Plamen Velikov
