Scrisoare de Recomandare

Către persoanele interesate,

Compania Efes Vitanta Moldova Brewery a lucrat împreună cu compania Anodilia SRL (Berlizzo Group) în cadrul diferitor tipuri de evenimente în perioada anilor 2013- 2017, cum ar fi „BEER FEST” , „Zilele Kozel în Chișinău”, „Campionatul Mondial de Fotbal”, „Liga Campionilor”, „Cinema în Strada Pietonală”, „Chișinău Summer Fest-2017”.

În calitate mea de Event Manager, am avut ocazia să-mi pot forma o părere obiectivă despre echipa Berlizzo, fapt ce consider că mă îndreptățește să redactez această scrisoare de recomandare.

Țin să menționez înainte de orice, că Berlizzo este o companie parteneră capabilă și eficientă, care reușește și în cele mai delicate momente să facă față provocărilor și să dea viață evenimentului.

Dacă ar fi să menționez calitățile profesionale, în primul rând subliniez faptul că, pe lângă competența profesională, compania este gata să implementeze tehnici și idei originale, fiind transparentă în tot ce se petrece pe partea organizatorică.

Datorită responsabilităților asumate și respectării stricte a termenilor, Berlizzo a câștigat încrederea companiei noastre.

Având în vedere cele menționate mai sus, vă recomand cu toată încrederea compania Anodilia SRL (Berlizzo Group) pentru colaborare.

Letter of recommendation

In my quality of Public Relations Specialist I strongly recommend Berlizzo Group as an event management company. We had the occasion to work with the company's team on the organization of festivities related to the Kaufland Richtfest. The company had the tasking of dealing with absolutely all matters related to the event organization, strating from concept and layouts, down to decorations and delivery of technical equipment and furniture for the event. I must say it is not an easy thing to do, since we are talking about organizing a complex event on a construction site in less than three weeks. Berlizzo surprised me with their project mangement capacity, creativity, willingness to work hard and do everything in their power to make the event the way it was planned to be.

The team is made of young professionals, with an exquisite ability to provide creative and original solutions to the tasks that were set. They are well organized, with very well defined internal processes that makes working with them easy and comfortable.

The positive feedback we received from all stakeholders and participants after the event, as well as my personal positive experience in working with them, allows me to recommend Anodilia SRL to other companies interested in such services.

Hereby we would like to express our appreciation of the high quality services and efficient support provided by Anodilia SRL – Chisinau (**Berlizzo Group**) in the organisation of the regional seminar "Citizen participation: an essential tool in local democracy" held on 16 – 17 November 2016 in Chisinau, Moldova, by the Congress of Local and Regional Authorities of the Council of Europe.

Thorough understanding of the level of the event, attention to detail, accuracy, responsiveness and timeliness of all services delivered were the basics of our successful cooperation with Berlizzo Group.

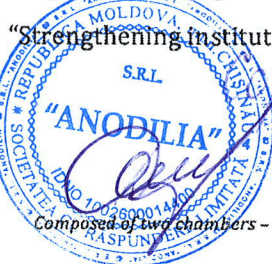

The multiple tasks which included not only the selection of multiple venues for the event but also the accommodation, catering, transportation, and printing of various programme documents and visibility items, were carried out in a exclusively professional manner and with a genuine concern for quality.

We appreciate Berlizzo Group professionalism and dedication and express our openness for future cooperation in the future.
