

Specification

Technical Data Sheet

Product Name	Bedaquiline
Product No	90024262
CAS Number	843663-66-1
Storage Temperature	Ambient
Molecular Weight	555.50

	Specification
Individual Impurities	$\leq 0.2\%$
Total Impurities	$\leq 0.6\%$
Appearance	White crystal or crystalline powder
Identification B	The solution shows an absorption maximum at 230nm
Assay (HPLC)	98.5% - 101.5%
Identification A	IR , UV conform
