ul. Wschodnia 17, 45-449, Opole
tel./fax: +48 77 453 99 69, +48 77 44 58 763
NIP 7542034068 REGON 531667807

Fabric name:	LUMINIS
Fabric description:	Roller blind fabric
Fabric reference:	A900
Supplier name:	Albedum
TARIC-Code (customs code):	39219060

TECHNICAL SPECIFICATION:

Fabric weight (grams per square meter):	approx. 195 g/m2
Width of fabric:	approx. 200 cm
Country of manufacture of fabric:	EU

Composition of fabric:	100%	polyester
		cotton
		cellulose
		fiberglass
		other (specify)
Constraction of fabric:	X	woven
		non-woven
		knit
		other (specify)
Weave	X	plain
		satin
		twill
		jacquard
		dobby weave
Fabric coloring		unbleached or bleached / non-coloured
		printed
	X	dyed / coloured
		use of yarns of different colours

YARN/THREAD

Yarn/thread composition		filaments
	X	staple fibers
Yarn/thread type (in case of filaments)		high tenacity
		textured
		non-textured

COATING

Composition of coating		polyvinyl chloride
		polyurethane
	X	polyacrylate
Nature of coating	yes	Is the fabric completely embedde in coating or is it only on one side?
	yes	Is coating thick enough to be seen with the naked eye, disregarding colour?
	no	Are the yarns sheated with plastic before weaving or knitting?
