

## Satisfactory Letter of OKI Pulp & Paper Mill Transformers

Reference No. V100617-623

To: Siemens Transformer (Wuhan) Co., Ltd.

This letter is to express our thanks and satisfactory of your 5 units "130MVA / 150kV" transformers and 2 units 35MVA / 33kV Transformers for OKI project.

The transformers have been installed since March of 2015. The transformers have been properly installed and passed site test successfully. It has been running steadily with high performance. Due to the high quality and reliability, it is easy to maintenance. We appreciate Siemens Quality and looking forward further opportunity with Siemens.
