

ECG & Resp (Impedance Method)

210ecg3ch	standart	ECG cable 3 leads, multiple use, 0.8 m, for single use electrodes
210ecg3chr	<i>optionally</i>	ECG cable 3 leads, multiple use, 0.8 m, for reusable electrodes
210ecg3chlsu	<i>optionally</i>	ECG cable 3 leads, multiple use, 3.0 m, for single use electrodes
210ecg3chlr	<i>optionally</i>	ECG cable 3 leads, multiple use, 3.0 m, for reusable electrodes
210ecg5ch	<i>optionally</i>	ECG cable 5 leads, multiple use, 0.8 m, for single use electrodes
210ecg5chr	<i>optionally</i>	ECG cable 5 leads, multiple use, 0.8 m, for reusable electrodes
210ecg5ch	<i>optionally</i>	ECG cable 5 leads, multiple use, 3.0 m, for single use electrodes
210ecg5chlr	<i>optionally</i>	ECG cable 5 leads, multiple use, 3.0 m, for reusable electrodes
210ecg3chcsu	<i>optionally</i>	ECG cable 3 leads, single use, 0.8 m, compatible with single use electrodes only
210ecg3chclsu	<i>optionally</i>	ECG cable 3 leads, single use, 3.0 m, compatible with single use electrodes only
210ecg5chcsu	<i>optionally</i>	ECG cable 5 leads, single use, 0.8 m, compatible with single use electrodes only
210ecg5chclsu	<i>optionally</i>	ECG cable 5 leads, single use, 3.0 m, compatible with single use electrodes only
210elecgrad	standart	ECG electrodes, single use, adult size, 10 pcs pack
210elecgrad	<i>optionally</i>	ECG electrodes, single use, pediatric size, 10 pcs pack
210elecgrad	<i>optionally</i>	ECG electrodes, multiple use, set for 3 leads, adult size
210elecgrad	<i>optionally</i>	ECG electrodes, multiple use, set for 3 leads, pediatric size
210elecgrad	<i>optionally</i>	ECG electrodes, multiple use, set for 5 leads, adult size
210elecgrad	<i>optionally</i>	ECG electrodes, multiple use, set for 5 leads, pediatric size

Accessories for BMO210D Patient Monitor series

*Note: accessories can be customized upon the customer request

**Note: minor changes may occur without prior notice. Consult before each ordering

Photoplethysmography

210spad	standart	SpO2 cable with finger sensor, reusable, 0.8 m, adult size
210sppd	<i>optionally</i>	SpO2 cable with finger sensor, reusable, 0.8 m, pediatric size
210spadl	<i>optionally</i>	SpO2 cable with finger sensor, reusable, 3.0 m, adult size
210sppdl	<i>optionally</i>	SpO2 cable with finger sensor, reusable, 3.0 m, pediatric size
210spadsk	<i>optionally</i>	SpO2 cable with surface skin sensor, reusable, 0.8 m, adult size
210sppdsk	<i>optionally</i>	SpO2 cable with surface skin sensor, reusable, 0.8 m, pediatric size
210spadsusk	<i>optionally</i>	SpO2 cable with surface skin sensor, single use, 0.8 m, adult size
210sppdsusk	<i>optionally</i>	SpO2 cable with surface skin sensor, single use, 0.8 m, pediatric size
210spadskl	<i>optionally</i>	SpO2 cable with surface skin sensor, reusable, 3.0 m, adult size
210sppdskl	<i>optionally</i>	SpO2 cable with surface skin sensor, reusable, 3.0 m, pediatric size
210spadsusk	<i>optionally</i>	SpO2 cable with surface skin sensor, single use, 3.0 m, adult size
210sppdsusk	<i>optionally</i>	SpO2 cable with surface skin sensor, single use, 3.0 m, pediatric size

Accessories for BMO210D Patient Monitor series

*Note: accessories can be customized upon the customer request

**Note: minor changes may occur without prior notice. Consult before each ordering

Temperature

210tchad	standart	Temp cable with surface skin sensor, reusable, 0.8 m, adult size
210tchpd	<i>optionally</i>	Temp cable with surface skin sensor, reusable, 0.8 m, pediatric size
210tchadsu	<i>optionally</i>	Temp cable with surface skin sensor, single use, 0.8 m, adult size
210tchpdsu	<i>optionally</i>	Temp cable with surface skin sensor, single use, 0.8 m, pediatric size
210tchadl	<i>optionally</i>	Temp cable with surface skin sensor, reusable, 3.0 m, adult size
210tchpdl	<i>optionally</i>	Temp cable with surface skin sensor, reusable, 3.0 m, pediatric size
210tchadsul	<i>optionally</i>	Temp cable with surface skin sensor, single use, 3.0 m, adult size
210tchpdsul	<i>optionally</i>	Temp cable with surface skin sensor, single use, 3.0 m, pediatric size
210trad	<i>optionally</i>	Temp cable with rectal sensor, reusable, 0.8 m, adult size
210trpd	<i>optionally</i>	Temp cable with rectal sensor, reusable, 0.8 m, pediatric size
210tradsu	<i>optionally</i>	Temp cable with rectal sensor, single use, 0.8 m, adult size
210trpdsu	<i>optionally</i>	Temp cable with rectal sensor, single use, 0.8 m, pediatric size
210tradl	<i>optionally</i>	Temp cable with rectal sensor, reusable, 3.0 m, adult size
210trpdl	<i>optionally</i>	Temp cable with rectal sensor, reusable, 3.0 m, pediatric size
210tradsul	<i>optionally</i>	Temp cable with rectal sensor, single use, 3.0 m, adult size
210trpdsul	<i>optionally</i>	Temp cable with rectal sensor, single use, 3.0 m, pediatric size

Accessories for BMO210D Patient Monitor series

*Note: accessories can be customized upon the customer request

**Note: minor changes may occur without prior notice. Consult before each ordering

NIBP (oscillometric method)

210nibh	standart	NIBP interconnection hose, 0.8 m
210nibhl	<i>optionally</i>	NIBP interconnection hose, 3.0 m
210nibadl	standart	NIBP cuff, reusable, adult large size
210nibadm	standart	NIBP cuff, reusable, adult medium size
210nibads	standart	NIBP cuff, reusable, adult small size
210nibpdl	<i>optionally</i>	NIBP cuff, reusable, pediatric large size
210nibpdm	<i>optionally</i>	NIBP cuff, reusable, pediatric medium size
210nibpds	<i>optionally</i>	NIBP cuff, reusable, pediatric small size
210nibsual	<i>optionally</i>	NIBP cuff, single use, adult large size
210nibsualm	<i>optionally</i>	NIBP cuff, single use, adult medium size
210nibsuals	<i>optionally</i>	NIBP cuff, single use, adult small size
210nibsupdl	<i>optionally</i>	NIBP cuff, single use, pediatric large size
210nibsupdm	<i>optionally</i>	NIBP cuff, single use, pediatric medium size
210nibsupds	<i>optionally</i>	NIBP cuff, single use, pediatric small size

Accessories for BMO210D Patient Monitor series

*Note: accessories can be customized upon the customer request

**Note: minor changes may occur without prior notice. Consult before each ordering

Thermal Printer consumables

210pap

Thermal paper 58 mm width roll, x1 pc

210penp

Thermal head cleaning pen

Accessories for BMO210D Patient Monitor series

*Note: accessories can be customized upon the customer request

**Note: minor changes may occur without prior notice. Consult before each ordering

Monitor support system

BMV Wall arm 2	Wall arm, 2 joints, with support for BMO210D
BMV Wall arm 1	Wall arm, 1 joint, with support for BMO210D
BMV patient monitor Trolley with arm and shelf	Trolley on 5 wheels with brakes, basket, arm, shelf, support for BMO210D
BMV patient monitor Trolley with arm	Trolley on 5 wheels with brakes, basket, arm, support for BMO210D
BMV patient monitor Trolley	Trolley on 5 wheels with brakes, basket, support for BMO210D
