

Project name: Increase the Institutional and Financial Capacities of NFFM for sustainable organization with qualified services to its members

Project period: 2021 - 2022

Project number: P9030

AMENDMENT 1
to
Agreement of cooperation between
National Farmers Federation of Moldova NFFM and We
Effect

With this Annex, the contracting parties have agreed to the following modifications of the Agreement of Cooperation signed January 2021:

The **Article 4.1** will be changed:

From: We Effect's total contribution to the Project is specified in the agreed Project Budget and equals to 2.200.000 SEK, corresponding to 4.620.000 MDL. The total Project Budget is indicative and subject to availability of funding from the back-donor(s), as specified in § 4.2. The approved annual budget for the first year of operation is annexed to this Agreement.

To: We Effect's total contribution to the Project is specified in the agreed Project Budget and equals to 2.350.000 SEK, corresponding to 4.700.000 MDL. The total Project Budget is indicative and subject to availability of funding from the back-donor(s), as specified in § 4.2. The approved annual budget for the first year of operation is annexed to this Agreement.

Except as amended herein, all other terms and conditions of the Agreement of Cooperation shall remain unchanged and in full force and effect.

This Amendment, of which two original copies have been signed and exchanged, is hereby fully approved to regulate the modifications of the Agreement between We Effect and the Partner.
