We, Elektro-mag, declare that we are manufacturer of some of medical and general laboratory equipment. Our stock is planned considering the products which have fast turn over. Strict planning principals enable us to keep at most one month stock of our products. Usually we are in close contact with our distributors and customers who have requests to buy products. We manufacture their products upon their requests.

Briefly, we assure that our products which we deliver to our customers can be considered as new products. Our products which we deliver are not older than 6month products.

Sincerely Yours

A.Selçuk Koçum
