Key Strengths of the Company

Experience

Thanks to the diverse services offered by Soluții Inovative SRL over the last 15 years, we have built an extensive portfolio of clients across multiple fields of activity, varying in complexity and development levels.

Diversified Services

By becoming our partner, you will benefit from the integration of accounting, financial, and human resource services into one company. This approach allows you to streamline work processes, save office space, and reduce costs associated with hiring personnel responsible for these activities.

Availability

Our team is available 24/7 to provide you with consultancy services under the service agreement. For any other inquiries, feel free to contact us confidently between 08:00 and 18:00.

Response Time

All bank payments are processed within up to 24 hours of the request. Urgent requests are treated as a priority, within a maximum of 2 hours. Salary and fee payments are processed on the last business day of the month or within 3 days from the date of the request. Financial and tax reports are prepared in compliance with deadlines set by authorities and funding bodies.

Personalized Approach

For each partner, we adopt a personalized approach based on the sector of activity and business size, ensuring flexibility in determining the collaboration method. Our goal is to optimize your organization's processes effectively.

Physical Presence

Our team is always available to come to your office whenever necessary, ensuring direct support and personalized solutions.

Transparency and Ethics

Our mission is to maintain high standards of professional ethics and transparency in client relationships, contributing to building a trustworthy partnership.
