## Recommendation Letter

To Whom It May Concern,

I am writing this letter of strong recommendation for Mr. Igor Prisac, Founder and Director of **Advanced Consulting SRL** (Republic of Moldova), with whom I have had the pleasure to collaborate closely since 2019 in the context of business development and training.

As a Master Business Trainee of Swiss Create Academy ([www.swisscreate.com](http://www.swisscreate.com)) and as the President of COM International, an organization dedicated to fostering professional growth and entrepreneurship in Eurasia and beyond, I have worked directly with Mr. Igor Prisac and his team in designing, organizing, and delivering a wide range of impactful training programs in Moldova, where Advanced Consulting SRL was a partner as well. These included modules on *Train the Trainers and Mentors*, *Business Mentorship*, *Career Management*, *Business Modeling*, *Finance for SMEs*, and *Leadership in SMEs*. His professionalism, strategic thinking, and engaging training style have consistently impressed both our team and the participants.

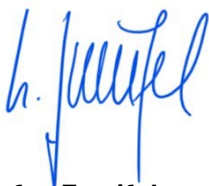

Igor Prisac and Advanced Consulting team brings a rare combination of deep theoretical knowledge and practical business experience. They has demonstrated a unique ability to adapt complex concepts into accessible and actionable insights, tailored to the needs of each audience—whether start-up entrepreneurs, experienced managers, or institutional stakeholders.

His leadership at Advanced Consulting SRL has set a benchmark in Moldova for quality business education and mentoring services. The consistency of his work and the positive feedback from numerous training sessions make him an exceptional candidate to be entrusted with training responsibilities within any international or national-level project or tender.

I recommend Mr. Igor Prisac and his company Advanced Consultring SRL without reservation. I am confident in his capacity to deliver high-quality training that aligns with international standards and adds measurable value to any program.

Should you require further information, please do not hesitate to contact me.

Sincerely,

**Stefan Zweifel**

President
