

LETTER OF PRESENTATION

Dear Sir / Dear Madam,

We have the special pleasure to, in a few lines, bring our company to the fore, presenting you the activity and the business opportunities that we can initiate with you, for the purpose of sustainable and effective collaborations.

KerasNet S.R.L. is a young but ambitious company that offers products and services in the field of communications, information technologies and security systems. More specifically, the company's core activities started from the design, supply and commissioning of radio networks and communications infrastructure. The technical staff is based on over 15 years of experience in the field.

The experience in the field of radio communications was accumulated from the implementation of several projects in the governmental sector of the Republic of Moldova.

If you find our proposal interesting, we are available at any time to be contacted in order to discuss the details of a possible collaboration.

Best regards,

Igor Lipsiuc
Director
