**Subject: Tender Request –“Achiziționarea dispozitivelor medicale conform necesității instituțiilor medico-sanitare publice lista suplimentară 18, ID- 21601808”**

We, FUJIFILM Europe B.V., an authorized distributor, and on behalf of the manufacturer FUJIFILM Corporation, a company organized and existing under the laws of Japan, having its head Office at 9-7-3, Akasaka Minato-ku, Tokyo 107-0052, Japan, of Ultrasound systems and related accessories, hereby confirm the following with regard to the above-mentioned tender procedure:

**1. Availability of Spare Parts and Technical Support**

We guarantee the availability of spare parts, accessories, and technical support necessary for the proper operation and maintenance of the FUJIFILM Ultrasound systems as set out in Appendix 1 to this letter for a minimum period of seven (7) years from the date of the last shipment related to this tender.

**2. Spare Parts List and Valid Pricing**

We confirm that an official spare parts list for the FUJIFILM Ultrasound systems is available. The critical spare parts, along with their specified prices (excluding delivery and installation services), are detailed in the Appendix 1 to this letter. The prices set forth in the appendix shall remain valid towards FCPC "DataControl" SRL for a period of twelve (12) months from the date of this letter and thereafter will be subject to updates in accordance with our commercial terms and conditions.

**3. Advance Notification of Product Discontinuation**

We undertake to provide written notification at least twelve (12) months in advance in the event of any of the following:

- Discontinuation of the production of the relevant FUJIFILM Ultrasound model(s) and probe(s),
- Termination of technical support services for the FUJIFILM Ultrasound model(s) and probe(s),
- Discontinuation or unavailability of critical spare parts.

This letter is issued at the request of the FCPC "DataControl" SRL for the purpose of participation in procurement and technical qualification procedures.

With kind regards

i.V.  
Takemasa Kojima  
Senior Vice President, European Medical Systems
