

**Yangzhou Wuyang**  
**Your best choice for disposable medical products!**

**Yangzhou Wuyang Medical  
Equipment Co., Ltd**

Yangzhou Wuyang Medical Equipment Co., Ltd - founded in 1992, covers an area of 15,000 square meters, with standardized workshops of 2,000 square meters. We have advanced purification equipments and a complete set of inspection & testing instruments. With bright and spacious production environment, advanced production technology & equipment and comprehensive quality management system, the quality of our products is fully ensured.

#### **Our main products**

- Disposable anaesthesia puncture packs, infusion pumps, dressing packs for Cesarean section and dressing packs for laparoscopy;
- Disposable drainage bags and paediatric urine collectors;
- Disposable tube products, such as suction catheters, stomach tubes, urethral catheters, rectal tubes, nasal oxygen cannulas and oxygen masks;
- Disposable injection molding products, such as 3-way stop-corks, umbilical cord clamps and medical dressing forceps;
- Disposable blood lancets and medical brushes.

90% of our products enjoy a great reputation among the vast clients, and are sold far to such countries and regions as Southeast Asia, the Middle East, West Europe and South America.

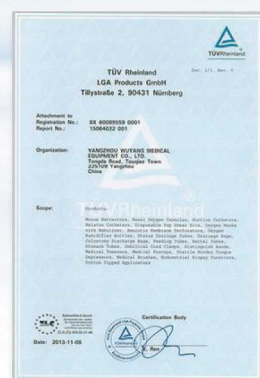

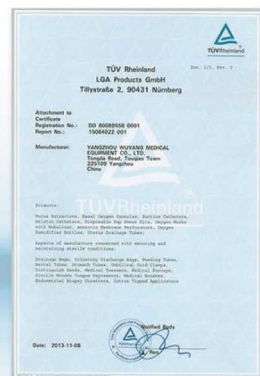

We have strictly confirmed to the domestic and international laws and regulations on the medical appliances. We have been granted the Production License and State-Registered License for Production. We are the first in the same trade in China to obtain Germany TUV Rhineland ISO013485 Quality System Certification. We obtained CE certification in 2001.

Professionalism, Objectivity,  
Pioneering, Progressive!
