Hodonín, 22.1.2019

Ing. Jana Šimová, Head of Laboratory

The report may be reproduced only as a whole, in parts only upon written permission of the laboratory. The test results relate only to the samples stated in the Test Report. The Lab does not take any guarantee for the identity of samples not taken by the lab personnel.

The test report No. D271/2016 was issued originally on 26.7.2017 with the name of the product **DETRO ACTIV** and it was reissued on 22.1.2019 upon the client's request due to the change of client's name and the product name. The client claims that the products **DETRO ACTIV** and **DETROCID ACTIV** are identical products, which are the same in their composition and which we tested under the name **DETRO ACTIV**.
