

ARCHITECTURE & DESIGN  
**GORGONA**

## GORGONA OFFICE SUMMARY

### PROFILE :

GORGONA Architecture and Design is presenting itself with projects, which trace the intricate path of architecture, but which inspires to perseverance, quest and new visions, a practice where each project is a new challenge.

Founded in 2006 by Vladimir PRODAN and Eugeniu PRODAN, a father and son partnership of architects. Vladimir PRODAN - a former architect with experience at McDonald's Company as a construction supervisor (Romania, Moldova, Ukraine) and Eugeniu a graduate architect from Istanbul Technical University, Turkey.

After its establishment GORGONA team provided architectural and design services and participated in many national and international competitions, gaining local and international recognition.

Important projects with international exposure for GORGONA were the winning designs for the national pavilion of Moldova for Expo 2015 in Milan, Italy and for the national pavilion of Moldova for Expo 2010 in Shanghai, China. In Italy, at Expo 2015 in Milan, Moldova had for the first time its own pavilion. By the end of the expo, over 23 million guests visited the expo in Milan and over 73 million people had visited Shanghai, a record attendance and 246 countries and international organizations had participated. In both cases Moldovan pavilion was visited and appreciated by over 1 to 1,6 million visitors.

Among the selected projects of GORGONA Architecture and Design Company are Jaguar Land Rover Showroom, Reclamservice office building, Testimiteanu University Auditorium, Turkish Embassy, MAIB Bank branches, "Patria Loteanu" cinema, "Grand Hall" shopping center, Port of Giurgiulesti, Extension of Medpark International Hospital, Heritage School new block addition.
