

Annex No. 1

to the Participation Notice

APPLICATION FOR PARTICIPATION

To: "S.E. Chisinau Glass Factory",
legal address: 20 Transnistria Street, Chisinau municipality;
registered office: 20 Transnistria Street, Chisinau municipality

Dear Sirs,

Following the participation notice No. ocds-b3wdp1-MD-1770031355749 published through the SIA "RSAP" system on 02nd of February 2026, regarding the application of the procedure for awarding the contract "**Calcined Soda**", **Cod CPV – 24313310-7**, we, Greenline Chemicals LTD, have familiarized ourselves with the conditions and requirements set out in the award documentation and hereby express our interest to participate, as bidder/candidate, having no objections to the award documentation.

Date of completion: 20.02.2026.

With respect,

.....

Oleg Beyzerov

General Director

Greenline Chemicals LTD

Full address: 2a Cont Androvanti Street, 2nd floor, 8000, Burgas, Bulgaria

Tel., fax, e-mail: sales@grlchemicals.com, +905348246625 / +359877389058

TENDER

To: "S.E. Chisinau Glass Factory",
legal address: 20 Transnistria Street, Chisinau municipality;
registered office: 20 Transnistria Street, Chisinau municipality

I. Having examined the procurement documentation regarding the contract "**Calcined Soda**", Cod CPV – **24313310-7**, we hereby submit the offer for the execution of the above-mentioned procurement contract, namely:

II. Supply (execution, provision):

name of goods: "Calcined Soda", Cod CPV – 24313310-7,

Quantity: 3.000,00 mt,

Unit price: 290 EUR/MT CPT Chisinau,

total value: 870.000,00 EUR

III. The total value of the offer for execution of the procurement contract is:
870.000,00 (eight hundred seventy thousand) EUR, excluding VAT on CPT Chisinau basis.

IV. Payment terms:

Till 60 days after invoice date.

V. Delivery conditions (execution of works):

Delivery time: 30 days.

Place of delivery: Chisinau plant

VI. Provision of warranty obligations

(conditions and procedures for remedying defects):

Acceptance of the Goods in terms of the quantity shall be made in the loading port in accordance with the inspection report, completed by the independent 3d part like any independent accredited survey (SGS in Turkey). SGS inspection of quantity in the loading port shall be paid by the Seller.

Acceptance of the Goods in terms of the quality shall be made in accordance to the quality requirements specified in the producer's quality certificate. The Seller guarantees the availability of the producer's quality certificate for each consignment of the Goods delivered.

Quality claims can be presented within 60 (sixty) calendar days and quantity claims within 20 (twenty) calendar days from the moment the Goods has arrived at the destination.

The Seller has the right to accept the claim as presented or request a further inspection by an independent company Inspectorate, as agreed with the Buyer, the result of which will be the final and binding for both parties of the Contract. If the analysis of the claimed goods is within the contractual parameters, based on the independent lab's evaluation, the claimant will be responsible for the cost of inspection. If the analysis of the claimed goods is out of the contractual parameters, based on the independent lab's evaluation, the Seller should replace the Goods within 30 calendar days, or, in the absence of the possibility for replacement, the Seller should financially compensate the total sum of non-quality goods.

The analysis of the Goods shipped in damaged packaging cannot be indicative for the total consignment.

VII. Validity period of the offer: 14 days.

Date of completion:
"20" February 2026
