

Transaroll Professional board – the classic product for more than 30 years

Our Transaroll Professional boards have been on the German medical market for over 30 years and are as reliable today as they were then. They consist of a special lightweight foam, which is also very durable and resilient despite its low weight.

Standard (not foldable)

180 x 50 cm

Item no. 4401150

Standard (foldable)

180 x 50 cm

Item no. 4401100

Mini (not foldable)

82 x 50 cm

Item no. 4400400

Ambu (not foldable)

80 x 40 cm

Item no. 4400114

Slim (not foldable)

120 x 40 cm

Item no. 44004200
