

Quality certificate

All NU AIR products are manufactured to the highest quality standards by using the most advanced technologies offered on the market, both in terms of choice of materials and as far as manufacturing processes are concerned. Strict tests are carried out throughout each stage of manufacture of the products.

The NU AIR products conform to the following international certifications:

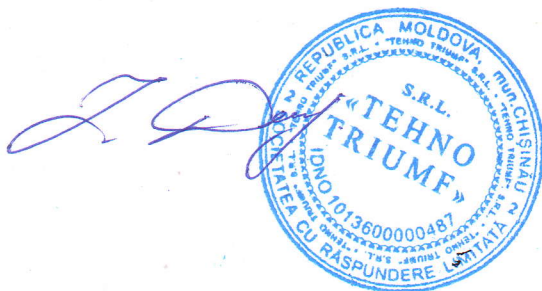

Other product certifications:

Croatia - Bosnia Erzegovina - Serbia

Pressure vessel specifications:

CE - ASME - Singapore - Indonesia - Israel - Australia

To demonstrate the attention dedicated to quality, NU AIR choose to certify its company management system in compliance with ISO 9001:2008 Standards, certified from TÜV Italia s.r.l. (TÜV SUD Group), which has as its main objective orientation of activity processes towards Customer requirements and continuous improvement.
