Addendum Nr. 1 to Software Development Agreement (*Continuous collaboration*)

This Addendum ("Addendum") is made and entered into as of 01.05.2024, and supplements the Software Development Agreement ("Agreement") dated 19 February 2024, by and between Zentralix Solutions S.R.L ("Lixium") and Golis Telecom ("Golis").

Recitals: Whereas, the parties entered into the Agreement for the development of a Minimum Viable Product (MVP) for Golis Telecom, and Whereas, the project has been extended beyond the original terms, and Whereas, the parties wish to amend the Agreement to allow for continued work on an invoice basis to accommodate the extended project timeline and additional requirements.

Agreement:

1. Extended Scope of Work:

- Lixium shall continue to provide software development services for the extended project period as mutually agreed upon by the parties.
- The scope of work includes but is not limited to additional features, maintenance, updates, and any other tasks necessary to meet the evolving needs of Golis Telecom.

2. Payment Terms for Extended Period:

- For the extended period, the payment terms will transition from a fixed-price contract to an invoice-based arrangement.
- Lixium will submit invoices for the work completed during the period.
- Invoices shall be payable within 7 business days from the date of receipt.

3. Additional Provisions:

- Both parties acknowledge that the extended work is necessary to fulfill the project's requirements beyond the original contract scope.
- Lixium will ensure all work is performed in accordance with the highest industry standards and will provide regular updates to Golis Telecom to maintain transparency.
- Any additional work during the extended period will be documented upon in writing by email, considered as agreed by both parties before commencement.

4. Bank Assurance:

- This Addendum serves as an official amendment to the original Agreement and should be considered binding and enforceable.
- All payments made under this Addendum are to be considered part of the contractual agreement between Lixium and Golis Telecom.
- The extended arrangement and invoice-based payment method have been mutually agreed upon to ensure the successful completion of the project.
