

Alisa

UI/UX Graphic Designer

ABOUT

I'm a designer with over 7 years of experience in Graphic Design and Web Design. I spend a lot of time growing as a professional and to learn new skills including related occupations.

Permanently do retrospectives to improve productivity by introducing additional techniques, software and constantly looking for new solutions to workflow optimization as well.

I like to follow trends, but also do classic art like pencil drawing, painting and so on. I'm peaceful, patient, hardworking, inquisitive, creative, resourceful, responsible.
