Certificate Holder: **Shimadzu Corporation**
1 Nishinokyo-Kuwabaracho, Nakagyo-ku, Kyoto-shi,
Kyoto 604-8511, Japan

including the locations according to annex

Scope:

Design and Development, Manufacturing, and Sales of Analytical Instruments (Separation Analyzers, Electromagnetism Analyzers, Spectrophotometers, Biotechnology Analyzers, Surface Analysis / Observation Systems, Thermal Analysis / Thermal Measurement Instruments, Fragrance and Flavor Analyzers, Medical Testing Instruments / Systems), Environmental Measurement Instruments (Water-Quality Analyzers, Continuous Emission Monitoring Systems), Testing / Inspection Machines and Measuring Instruments (Testing Machines, Non-Destructive Inspection Machines, High-Speed Video Cameras, Powder and Particle Measuring Instruments, Weighing Instruments), Data Management Software, In-Vitro Diagnostic Medical Device, as well as Servicing activities such as Installation, Inspection, Repair, and Relocation of those, and Sales of parts related to those activities

Design and Development, Manufacturing, and Sales of In-Vitro Diagnostics and Research Reagents (Reagent for Biochemistry and Reagent for Instrumental Analysis)

Service operation such as Installation, Inspection, Repair and Relocation of Scientific Instruments, and Sales of parts related thereto

Design and Development, Manufacturing and Sales of Application System Products and Service operation such as Installation, Inspection, Repair of those, as well as Sales of parts related thereto

Design and Development, and Sales of the Software related to Application System Products

Design and Development, Manufacturing, Importing and Sales of Medical Diagnostic Imaging Devices and Systems Product group and full product description: Nuclear Magnetic Resonance Imaging Systems, X-Ray Computer Tomography Devices, Diagnostic X-Ray Devices, Angiographic X-Ray Diagnostic Systems, Diagnostic Ultrasound Systems, X-Ray Tube Assemblies, Image Intensifiers, Nuclear Medicine Diagnostic Devices, Medical Image Management Systems, General Health Management Systems, Oximeter, Computer Aided Detection System, Accelerator System Synchronizer, Near Infrared Fluorescence Imaging System, Work Station Software for Diagnostic X-Ray Systems Design and Development, Manufacturing of Food Radiation Scanner

Design and Development, Manufacture, Sales, and Customer Service (Repair, Overhaul and Maintenance) of Turbo Molecular Pump, Peripheral Equipment for Turbo Molecular Pump (APC [Automatic Pressure Control] Valve), Vacuum System (Sputtering System), Heating System, Measuring Instrument

Design and Development, Manufacturing, and Sales of Hydraulic Equipment (Hydraulic Pump, Hydraulic Motor, Hydraulic Valve etc.)

Design and Development, Manufacturing, Purchasing and Sales of Optical Parts, such as Lenses, Mirrors, Diffraction Gratings, and MEMS, such as Fluid Devices, and Optical Instruments, such as Spectrometers, Lasers, and Detectors, and Component Monitors

Design and development, Manufacturing, Sales, and Servicing (incl. Service Support & Control) of Portable Surgical Microscope and Reusable Urine Flow Meter

Design and Development, Sales, Installation and Servicing (Maintenance Works, Lecture Service for Customers and Customer's Support Service) of Educational Physics and Chemistry Equipment and Laboratory Equipment, Experimental Table and Environmental Facility Products (Draft-chamber)

Scope:

Sales and Servicing of Medical Diagnostic Imaging Devices and Systems, EMR (Electronic Medical Record) Devices and Systems, Food Radiation Scanner and Systems, In-Vitro Diagnostic Medical Device, and Related Devices

products: Nuclear Magnetic Resonance Imaging Systems, X-Ray Computer Tomography Devices, Diagnostic X-Ray Devices, Angiographic X-Ray Diagnostic Systems, Diagnostic Ultrasound Systems, X-Ray Tube Assemblies, Image Intensifiers, Nuclear Medicine Diagnostic Devices, Medical Image Management Systems, General Health Management Systems, hospital facilities and devices, Oximeter, EMR (electronic medical record) Near Infrared Fluorescence Imaging System, Desktop payment machine, Food Radiation Scanner, Nucleic acid amplification analyzer

Design and Development, Manufacturing, Sales, Provisions of Installation, and Maintenance Services of Measuring and Controlling Instruments,
Flowmeter calibration,
Sales, Provisions of Installation, and Maintenance Services of Analytical Instruments

Design and Development, Manufacturing, Sales, Installation Management and Servicing of Vacuum Heat-Treating Furnaces, Glass Fiber Winders, High-Performance Fiber Winders, Fluid Pumps, Gas Turbine Accessories, X-Ray Inspection Equipment, Electric Valve Actuators, Vacuum Pumps, Balancing Machinery, Leak Detectors, Industrial Vacuum Equipment and their Accessories

Manufacturing of Medical Diagnostic Imaging Devices
Supply Parts and Servicing Activities of Medical Diagnostic Imaging Devices
Manufacturing and Supply Parts and Servicing Activities of Hospital Equipment

Manufacturing and Customer service of Analytical Instruments, Measurement Instruments, Scientific equipment (Except for Kalnew design items) and Optical Devices
Design and Development, Manufacturing and Customer service of Scientific equipment (For Kalnew design items)
Design and Development, Manufacturing and Customer service of Precision Refractometers and Spectrometers

Products Logistic Services for Shimadzu Corporation and Shimadzu Corporation Group (Entering to Warehouse, Packing, Storage, Dispatching from Warehouse, Boxing, Shipment and Transportation Control)
Production Logistic Services for Shimadzu Corporation and Shimadzu Corporation Group (including Entering and Dispatching from Warehouse of Procurement Product, Collection and Delivery)
Boxing, Packing, Storage and Transportation Control of Products by Shimadzu Corporation and Shimadzu Corporation Group

Boxing, Packing, and Transportation Control of Products other than Shimadzu Corporation Group

Sales of analytical measuring instruments, physics and chemistry instruments, etc.

Manufacturing outsourcing and sales of chromatography vials, columns, packing materials and analytical instruments consumables
