CERTIFICATE OF AUTHORIZED SERVICE PROVIDER

No. HSN-CEE-SVC-MD-2026-001

This is to certify that:

Take IT SRL

171/3, Uzinelor Street, Chisinau, MD-2037, Republic of Moldova

is recognized and authorized by Hisense B2B Commercial Display as an

Authorized Service Provider for Hisense Commercial Display products in the territory of the Republic of Moldova.

Take IT SRL is authorized to provide warranty and post-warranty service, technical support, installation, and maintenance services for Hisense B2B commercial display products, including but not limited to interactive flat panel displays, professional monitors, digital signage solutions, and LED display systems.

This authorization confirms that Take IT SRL has the technical competence and resources necessary to provide qualified service support for Hisense commercial display products supplied within the Republic of Moldova.

Certificate details:
