DECLARATION

This is to confirm that the hearing aid products as listed below:

HA STRETTA HP BG
HA STRETTA M BG

have clinical experience at least 1 year in Western Europe and Central Europe. Until the market launch in these countries these hearing aids have been tested in clinical laboratory conditions. Clinical studies and experience using these hearing aids show improvement of hearing ability and speech understanding for children and adults. Clients have preserved a clearer perception of speech in noisy environment or in a group of dialogue partners.
