REFERENCE LETTER

To: Whom it may concern

LUKOIL Moldova hereby validates the professional track record of Andezit SRL as a provider of specialized transport for petroleum products. Our cooperation covers the logistics of gasoline, diesel, and aviation fuel (Jet A-1).

Andezit SRL has demonstrated the technical capacity to handle these products while maintaining strict adherence to safety protocols and delivery deadlines. Their fleet and personnel meet the regulatory requirements for the transport of light oil products and aviation kerosene. We recognize Andezit SRL as a qualified and reliable transport partner in the fuel sector.
