

Żywiec, 01.07.2025

**TO WHOM IT MAY CONCERN**

We, the undersigned INFIMED Sp. z o.o., Kabaty 1, 34-300 Żywiec, Poland hereby explain as follows:

1. Red color rendering index R9 = 96 for the operating light PROXY can be manufactured on request, as customized solution.
2. Regarding the requirement of "back up battery  $\geq 1.5$  hours":
  - Lights in standard solution are equipped with power supply unit without battery back-up
  - To provide back-up support, any UPS can be used
  - INFIMED is using UPS Green Cell Microsine 2000W, which provides approx. 1 hour of back up power for 1 light head. So to assure 1.5 it would be necessary to use 2 pcs of UPS for each light head.

Kind regards,
