Betrifft: **Quality standard of HAWLE fittings**  
Subject:

HAWLE products are manufactured with high precision and accuracy and subjected to ongoing quality control during manufacturing. This qualifies HAWLE to supply best quality products and provide an unique 10 year HAWLE warranty.

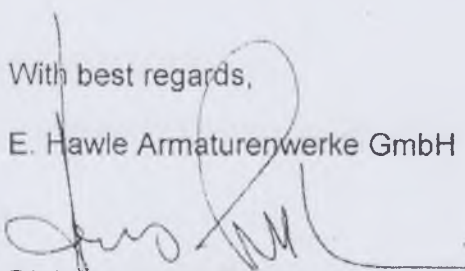

With our quality products we enable your planners to design potable water supply systems for a design life according to EN 805:

*„5.2 Design life*

*Systems shall be designed for a life of at least 50 years. Some components such as pumps and certain metering and control equipment may require earlier renovation or replacement.”*

With best regards,

E. Hawle Armaturenwerke GmbH
