ViewSonic MA2432-MHD

Key Features

- SuperClear® IPS Technology for richer, sharper colors at wide angles
- Full HD 1080p resolution
- 75Hz Refresh rate delivers fluid visuals
- Adaptive sync to eliminate screen tearing & reduce stuttering
- Three-sided frameless design for seamless viewing

Product **Description**

The ViewSonic VA2432-MHD is a 24" (23.8" viewable) Full HD Monitor with IPS technology and flexible connectivity for use in the office or at home. With SuperClear® IPS technology and Full HD resolution, images are clear and detailed from a wide range of viewing angles. Integrated speakers ensure a crisp and clear sound while Display Port, HDMI, and VGA inputs allow for increased setup flexibility when connecting with other devices. The VA2432-MHD's three-sided frameless bezel delivers a seamless viewing experience and comes equipped with Eye Care technology to help eliminate eye strain resulting from extended viewing periods. VESA compatibility guarantees easy adaption to both multimonitor or wall-mount set ups.
