Bad Muender, 28<sup>th</sup> July 2020

As a PMR specialist, Hytera Mobilfunk GmbH in Germany provides Hytera and Sepura terminals and Hytera radio systems for Central and Eastern Europe, offering local engineering, servicing and support across the broad Hytera communications portfolio. Sepura became part of Hytera Group in May, 2017.

HYTERA Mobilfunk GmbH, exclusive distributor of the Product Portfolio of the Hytera Group in Central and Eastern Europe, confirms that TelSec SRL, Măguri Street no. 733T, Postal code 107425, Poiana Câmpina, Prahova County, Romania, is authorised to bid and supply Hytera and Sepura equipment and is authorised to provide corresponding warranty and post-warranty service in Romania and in Moldova.

Telsec is also entitled to choose its own partners/resellers for the supply of Hytera and Sepura equipment and related services within Romania and Republic of Moldova territories.
