

Trimming Blade Handles

Details

- ▶ Available in three lengths
- ▶ Autoclavable
- ▶ Heat-resistant
- ▶ Ergonomic design

Technical Data

- ▶ **Material:** plastic
- ▶ **Overall length:** 217 mm, 260 mm and 390 mm

Use

The ideal trimming set together with the special trimming blades ensure the tissue samples are not deformed during dissection. The trimming blade handles are made from heat-resistant plastic and due to their ergonomic design, they are particularly easy to grip.

Ordering Information
