Dear Ms Oprea,

Re: Invitation to Tender - [Feasibility study development services and specific documentation for the implementation of the National Population Warning System /Project ID: 101142948]

I am writing to formally acknowledge receipt of your invitation to tender for the development of a Feasibility Study and specific documentation for the implementation of the National Public Warning System in the Republic of Moldova dated 04.06.2024.

We are delighted to have been considered for this opportunity and are keen to participate in the tendering process. P.G.T. The Magnet Enterprises Ltd has extensive experience in public warning system technology advisory services, and we are confident that we can provide a comprehensive and competitive proposal that meets your project requirements.

Our team has commenced a thorough review of the tender documents and specifications provided. We assure you that we will adhere to the timeline specified and submit our tender proposal by the deadline of 01.07.2024. We understand the importance of this project and are committed to delivering a detailed and accurate submission. We aim to ensure that our proposal aligns with your expectations and project goals.

DS
PT

Thank you once again for considering P.G.T. The Magnet Enterprises Ltd for this tender.
We look forward to the possibility of working together and contributing to the success of
your project.

Yours sincerely,
