

LETTER OF RECOMMENDATION

With this letter we express our gratitude for the professionalism, expertise, dynamism and positive attitude demonstrated by the BTS Pro LTD team in collaboration with our company, AMDARIS LTD.

Our recent project with BTS Pro LTD was based on Office 365 E3 technology, where the company has proven a strong technical expertise in the industry, covering all phases of transformation: from needs assessment and consulting to planning and implementation. BTS Pro LTD consistently met all contractual obligations, delivering and integrating solutions on schedule and in line with agreed-upon specifications.

We highly recommend engaging in collaborations and partnerships with BTS PRO SRL. They possess the necessary expertise and skills to effectively address complex requirements within Microsoft's cloud solutions.
