# How to add DS-MDS001 to HCP

## 1. Abstract

The HCP can only add the dockstation until now, through the client of the hikcentral, we can search the evidence, do the playback, and download the evidence to client server.

## 2.Version

| product | version |
|---|---|
| Hikcentral | HikCentral_Professional_V 2.0.0.20201130 |
| Dockstation | V1.0.0 build 210107 10:50:16 |

## 3.Configuration

➢　The configuration on the dock station

We don't have to do anything on the dock station

➢　Add the dock station on the hikcentral

　　　■　The default port is 80.

➢ Configure the dockstation group on the HCP
