

# Medical bed sheets 200 x 150 cm

## Product description:

Medical bed sheets made of SMS (Spunbond+Meltblown+Spunbond), polypropylene, density 35 gr/m<sup>2</sup>.

Tear resistant, high air permeability and barrier against microbes. Sheet for mattress protection. Size 200 cm x 150 cm.

## Instructions for use:

The equipment is used during medical procedures.

## Instructions for removal:

Carefully remove so that the inner part rolls outwards and the contaminated part remains inside avoiding contamination of skin and clothes. The linen should be disposed of in an appropriate waste container.

## Instructions for storage:

Store in the original packaging. Store between 0°C and +20°C; in a dry and clean place, away from moisture; away from direct sunlight, flames, water droplets and solvent vapors.
