Letter of Confirmation

We, **Siemens Healthcare Diagnostics Products GmbH**, with registered office at Emil-von-Behring-Strasse 76, 35041 Marburg, Federal Republic of Germany (the "Company") hereby confirm that, pursuant to an Authorized Representative Agreement dated November 23, 2015 (the "Agreement"),

ICS Diamedix Impex SRL
MD-2065, str. Drumul Viilor, 36/2
mun. Chişinău
Republic of Moldova
(the "Representative")

as its authorized representative for the purpose of registration of the Company's products (reagents, consumables, instruments, software and spare parts) as listed in **Annex 1** (the "Products") in the territory of the Republic of Moldova.

In accordance with the Agreement, Siemens will, among other things, provide to the Representative such Product-related technical documentation relevant to market surveillance investigations being undertaken by the Medicines and Medical Devices Agency in the Territory as may reasonably be required. In connection with the requirements of Annex 3 to the Administrative Procedures for Registration of medical devices nr. A07PS-01Rg04-112 dated 03.07.2014, however, we point out that the following information relating to the Products, to the extent not disclosed in documentation accompanying the Products (such as Instructions for Use) concerns trade secrets and/or binding confidentiality obligations:

3. Information on design and manufacturing
4. General requirements on safety and performance
5. Risk-benefit analysis and risk management
6. Verification and validation of product.

DISTRIBUTOR APPOINTMENT LETTER

Siemens Healthcare Diagnostics Products GmbH, Emil-von-Behring-Strasse 76, 35041 Marburg, Germany (the "Company") confirms that, under the distribution agreement dated June 15, 2015 between the Company and

DIAMEDIX IMPEX S.A.
 15A Street Fabrica de Glucoza
 Building A4, 2nd District
 Bucharest, Romania
 ("Diamedix")

Diamedix is a distributor authorized, on a non-exclusive basis, to sell in its own name and on its own behalf Siemens Healthcare Diagnostics products, including instruments, spare parts, consumables and reagents (the "Products") in the territory of Romania and the Republic of Moldova (the "Territory"). Diamedix may, in addition, register and provide after-sales service in respect of the Products.

Furthermore, we confirm that Diamedix is authorized to participate with the Products (the "Products") in tenders published in the Territory (the "Tenders") and, in the event of a successful bid, to sell and service and to offer full technical and scientific support, including user training, for the Products in its own name and on its own behalf under the terms of any contract resulting from any of the Tenders.
