| Drager/Air Shields C2000 | U615-2N | Drager Infant Skin Temperature Probe,Mini5Pin,9.1KΩ,3meter        |    |                                                                                       |
| GE                       | U602-1A | Adult Rectal/Esophageal Temperature probe,2.25KΩ,11pin,3meter     |    |    |
|                          | U602-1C | Pediatric Rectal/Esophageal Temperature probe,2.25KΩ,11pin,3meter |                                                                                       |    |
|                          | U602-1M | Infant Rectal/Esophageal Temperature probe,2.25KΩ,11pin,3meter    |                                                                                       |    |
|                          | U602-1B | Adult Skin surface Temperature probe,2.25KΩ,11pin,3meter          |   |   |
|                          | U602-1D | Pediatric Skin Temperature probe,2.25KΩ,11pin,3meter              |                                                                                       |  |
|                          | U602-1N | Infant Skin Temperature probe,2.25KΩ,11pin,3meter                 |                                                                                       |  |
|                          | U602-2C | GE V100 Oral Temperature Probe,Crystal head Connector             |  |                                                                                       |
|                          | U602-1F | GE Temperature interface cable,Rectangle 2Pin,3meter              |  |  |
|                          | U602-1G | GE Temperature Interface Cable,3.5mm Female                       |  |  |
|                          | U602-1J | GE Temperature extension cable,to YSI 400 series & YSI 700 series |  |                                                                                       |
|                          | U602-3J | GE Temperature interface cable,6.3mm Female,0.5meter              |  |                                                                                       |
