

Satisfactory Letter of City Power Kloofendal Project under  
Reference No. VI 00787/788

To: Siemens Transformer (Wuhan) Co., Ltd.

This letter shall serve as City Power's performance feedback on the transformer supplied by Siemens Transformer (Wuhan) Co., Ltd.

The transformer was installed July 26, 2016 and passed site acceptance tests successfully. As of to date, It has been running steadily with high performance and no oil leakage. We deem supplier's compliance to the required specification of City Power as satisfactory.
