

Partner / filial order no.: AVC-STISC ASD241A v1.1 101219

Project: I.P. STISC

Power supply: 400V/50Hz/3Ph/N/F

ASD 241 A (1401864)

2	1402151	A - Refrigerant R410A (CyberAir 3PRO-DX)
2	1107209	A - Condenser KSV037A22p
2	1401635	A - Electrical reheat, single stage, 6kW
2	1401477	A - Steam Humidifier 8kg/h (supply water conductivity 125-1250 µS/cm)
2	E96161	A - Water detection system incl. sensor and solenoid-valve
2	CE0022	A - Power supply 1-phase for condenser fan, 10 A, main power supply >380V with N /for single circuit u
2	1401694	A - Temperature control 1ph condenser fan (single circuit unit)
4	E99008	A - additional sensor for water detection system (max. 4)
2	E97541	A - Additional T/H- sensor,(for C7000), shipped loose - please specify intended use (kind of control)
2	E50051	A - control for external damper for servo-motor SM24
2	E99948	A - Shutdown by external firealarm with reset at controller C7000 AT
2	E50052	A - Smoke detector, shipped loose
2	E98560	A - C7000 Advanced Control-System - Userinterface
1	E95458	A - WIB8000 for HTTP/ SNMP data protocol (mounted inside the unit)
2	K98971	A - Non-return valve for liquid line, shipped loose (for single circuit units)
2	1401679	A - condensate-pump (hot water resistant), shipped loose
2	1024000	Servomotor 24V

Quantity: 2 Total per quantity, MDL excl. TVA: 980 000,00
