

Certificate

***Mr. Serghei Costov from ECHIPAMED PLUS
SRL (Moldova)***

has attended the technical seminary carried out by **Antonio Matachana S.A.**, manufacturers and exporters of Steam Sterilizers, held at our factory from the 27th to the 31th of October 2014

The programme has mainly focussed on principles of sterilization on MATACHANA STEAM AUTOCLAVES MODELS S1000 (12), and Washer Disinfector MAT 2314-512

Matachana certifies that the assistant has achieved the aim of the training.

Barcelona, 31th of October 2014

Ramón Torres
