

No. 66

CERTIFICATE OF CONFORMITY
[EN ISO/IEC 17050-1:2010]

Product: Tissue Paper for Toilet Paper
Production date: 27.01.2026
Customer: MITRA GRUP
Order No.: 10019828
Cod: JRT125

The values of quality characteristics

| Characteristics | Measure unit | Determined values |
|--|------------------|-------------------|
| Basis weight , SR EN ISO 12625-6:2017 | g/m ² | 15.9 |
| Reel width | cm | 135 |
| The mean dry maximum tensile force MD, SR EN ISO 12625-4:2022 | N/m | 175.3 |
| The mean dry maximum tensile force CD, SR EN ISO 12625-4:2022 | N/m | 92.7 |
| Elongation ,SR EN ISO 12625-4:2022 | % | 14.8 |
| The mean wet tensile strength retention, SR EN ISO 12625-5:2017 | N/m | |
| Brightness , SR EN ISO 12625-7:2021 | % | X |
| No.of ply | - | 2 |
| Moisture, SR EN ISO 287:2018 | % | 4.8 |

The paper is a biodegradable product, isn't dangerous for life and health and it has no negative impact over the environment.

For the production of tissue paper it is used as raw material cellulose TCF (total chlorine free) and ECF (elemental chlorine free).
