CERTIFICATE CONFORMITY OF THE FACTORY PRODUCTION CONTROL 1583-CPR-0425

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Fiberboards dry method of production (MDF) in thickness 6÷30 mm

This construction product for use indoor or outdoor, made according to PN-EN 13986:2006 Wood-based panels for use in construction -- Characteristics, evaluation of conformity and marking

produced by

**PJSC „Korostenskii MDF plant”
01034 Ukraine, Kiev, Yaroslavov Val str. 38**

and produced in the manufacturing plant

**PJSC „Korostenskii MDF plant”
11501 Ukraine, Korosten, Oktiabrskaja str. 11b, Zhytomir region**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard:

PN-EN 13986:2006 Wood-based panels for use in construction -- Characteristics, evaluation of conformity and marking

under system 2+ for the performances set out in this certificate are applied and that

the construction product fulfils all the prescribed requirements set out above.

This certificate was first issued on 01.06.2015 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the product certification body.

Poznań, 01.06.2015
