

Manufacturer:	Jingjiang Yunkai Solar Photovoltaic Co., Ltd No.11, Fuyang Road, Jing Jiang City, Jiangsu Province, P.R.China			
Product(s):	Variable pressure block (35 End Clamp Kit)	Model Type:	Bracket Model for PV Panels (2172×1303×35mm)	
Material:	Hot dip galvanized steel	Quantity:	2700 pcs	
No.	Test items	Requirements	Inspector judgment	Conclusion
1	Front Post	Meet drawing requirements	Meet the requirements	Qualified
2	Rear Post	Meet drawing requirements	Meet the requirements	Qualified
3	Main beam	Meet drawing requirements	Meet the requirements	Qualified
4	Mounting rail	Meet drawing requirements	Meet the requirements	Qualified
5	End clamp	Meet drawing requirements	Meet the requirements	Qualified
6	Mid clamp	Meet drawing requirements	Meet the requirements	Qualified
7	Other matched components	Meet drawing requirements	Meet the requirements	Qualified
8	Implementation of CE standards	Standard:EN1090-1:2009+A1:2011	Meet the requirements	Qualified
Test result:	Meet the requirements of Standard:EN1090-1:2009+A1:2011 and of the agreed specification, and are allowed for shipment.
