

## STATEMENT

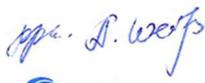

Date: 04.02.2026

### **Ref. Tender: Ciuciuleni - ocds-b3wdp1-MD-1769598345757**

We, ESE GmbH, having our company's address in Friedrich-Bückling-Straße 8, 16816 Neuruppin in Germany, being producer of waste bins and containers from HDPE, declare that:

- the offered products L120 CL in black/yellow color and L240CL in black/yellow color will be produced and delivered from 100% virgin material
- ESE has its own testing laboratory and tests all production batches in accordance with the RAL GZ 951-1 and EN840 standards
- ESE products are compatible with the EN1501-1 standard dedicated to loading mechanisms and not to container/bins

With best regards,

## QUALITY STATEMENT

Date: 04.02.2026

### **Ref. Tender: Ciuciuleni - ocds-b3wdp1-MD-1769598345757**

We hereby declare that the Plastic Bins MGB 120L CL and MGB 240l CL are manufactured under permanent quality control. Loaded goods have been controlled by our quality department. Our quality management system fulfils the requirements of ISO 9001:2008.

The bins are certified according to EN 840 and regularly tested according to RAL-GZ 951/1. That includes tests of stress cracking, ball drop on cold bin, dimensions and shrinkage after heating storage as far as brakes. The Plastic Bins were manufactured out of High Density Polyethylene by using the injection moulding method.

With best regards,
