The priority of documents forming the Contract shall be as follows:

- 2.1 This Construction Contract
with Supplementary terms and conditions for constructions works
- 2.2 The Specification of Works / technical specifications
- 2.3 The Drawings enclosed to the Invitation to Tender for Contractors, i.e.

Full set of drawings/technical design dated 30.06.2023,

and such drawings and details as may be issued by the Employer or his Authorized Representative for the clarification of the Works during execution.

- 2.4 The priced Bill of Quantities (including Daywork Rates), dated 12.09.2023.

3. TERMS OF EXECUTION - COMMENCEMENT OF WORKS

- 3.1 The Employer or his Authorized Representative shall give at least 7 working-days notice in writing, prior to the date of handing-over of the site to the Contractor. The Contractor shall commence the Works within 5 working-days of the date of the handing-over of site.

- 3.2 The Contractor agrees to execute and to complete the Works as described in the documents listed under Clause 2 with due care and diligence in accordance with generally accepted construction practices, especially the ones of the country in which the Works are to be carried out.
- 3.3 The Contractor shall submit a work programme not later than 3 working days after the signing of this Contract.
- 3.4 The Contractor shall supply all building materials, equipment, plant and tools necessary for the execution of the Works in due number and time.
- 3.5 The Contractor shall provide all qualified and experienced labour necessary in due number and time and shall supervise their activities with due care and diligence. The Employer or his Authorized Representative shall be entitled to object to and require the Contractor to remove from the Works any person employed by the Contractor who, in the opinion of the Employer or his Authorized Representative, is incompetent, negligent, or guilty of misconduct.
- 3.6 No work shall be covered up or otherwise put out of view without prior approval in writing by the Employer or his Authorized Representative.
- 3.7 The Employer or his Authorized Representative shall be entitled to make any variation of the form, quantity or quality of the Works or any part thereof that may, in his opinion, be necessary or desirable (cf. Clause 4.2). No such variation shall be made without an order in writing by the Employer or his Authorized Representative.
- 3.8 Building materials and Works may be subject to tests at any time at the request of the Employer or his Authorized Representative. These tests shall be carried out as directed by the Employer or his Authorized Representative at the place of manufacture or fabrication or on site or in a testing institute. The Contractor shall provide such assistance, materials, plant, instruments and labour as required for such test. The costs of carrying out such tests shall be borne by the Contractor.
- 3.9 The Contractor shall keep the site free from all unnecessary obstructions at all times and shall remove all materials and plant which are no longer required. Upon completion of the Works he shall leave the site clean and orderly to the satisfaction of the Employer or his Authorized Representative.
- 3.10 The Contractor shall treat the details of this Contract as well as any aspects of its implementation as private and confidential, save in so far as may be necessary for the purpose thereof, and shall not publish or disclose any such information to third parties without the prior consent in writing of the Employer or his Authorized Representative. If any dispute arises as to the necessity of any publication or disclosure for the purpose of the Contract the same shall be referred to the decision of the Employer whose award shall be final.

Supplementary terms and conditions for construction works

Version: June 2021

1. Framework conditions and sustainability

1.1 Environmental and social standards, human rights

When performing the construction works, the Contractor must observe applicable national and international environmental law, minimise greenhouse gas emissions and avoid all activities that could increase the vulnerability of the population and/or ecosystems to the effects of climate change.

The Contractor must also ensure, with due regard for international standards and multilateral agreements (in particular international agreements on human rights), that measures are in place to respect human rights, protect children, prevent violence, abuse or exploitation of any kind, prevent discrimination (in particular with regard to origin, ethnicity, religion, age, gender identity, sexual orientation or disability) and promote equality of opportunity for all genders.

The Contractor must implement appropriate measures to prevent sexual harassment at the workplace and must refrain from any incitement to violence or hatred and from any objectively unjustified discrimination against individuals or groups of people.

1.2 Labour standards and minimum wages

In performing the contract, the Contractor is obliged to comply with the fundamental principles and rights at work as stated in the Declaration of the International Labour Organization (ILO) of 18 June 1998 (freedom of association, the right to collective bargaining, the elimination of all forms of forced or compulsory labour, the effective abolition of child labour and the elimination of discrimination in respect of employment and occupation).

In particular, the Contractor is obliged in the performance of the contract to comply with the regulations enacting the ILO core labour standards (conventions nos. 29, 87, 98, 100, 105, 111, 138 and 182) in the legislation of the country of assignment. If the country of assignment has not ratified one or more core labour standards or not enacted them in national legislation, the Contractor is obliged to comply with such regulations in the country of assignment which pursue the same goal as the core labour standards.
